## OUTREACH EVENTS UPCOMING PROCUREMENTS

### **“Construction of 300 Kilometers of 400 kV Electricity Transmission Lines and Three Substations”**

### **“Road Management Technical Assistance”**

### **“Power Sector Technical Assistance”**

1. The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of Nepal (the “Government”) have entered into a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Nepal (the “Compact”) in the amount of approximately **USD 500 million (United States Dollar Five Hundred Million)** (“MCC Funding”). The Government, acting through the Millennium Challenge Account Nepal (the “MCA-Nepal”), intends to apply a portion of the MCC Funding to eligible payments under a contract for which this Invitation to participate in an Outreach event is issued.
2. The Compact program includes investment from MCC of approximately US \$ 500 million and an additional US \$ 130 million from the Government, for a total of approximately US \$ 630 million. It includes two projects: (i) The Electricity Transmission Project (ETP) will manage the construction of about 300 kilometers of 400 kV electricity transmission lines, three substations, and technical assistance for the power sector; and (ii) The Road Maintenance Project (RMP) will provide technical assistance to improve the road maintenance regime and road maintenance works on about 300 kilometers of the strategic road network. The program would include the procurement of contractors and consultants for design, construction and supervision of electricity lines and substations, road maintenance works, including a variety of technical services, equipment and construction works in different geographic locations within Nepal. These contracts will be competed through open international procurement procedures.
3. MCA-Nepal, which oversees and manages the projects funded from the Compact, intends to organize three Outreach Events with Contractors, Consulting Firms and Suppliers Representatives to inform of the upcoming Procurements for ETP and RMP; and (ii) share available procurement and technical information, as applicable.
4. MCA-Nepal intends to organize and conduct three (3) Outreach Events targeting different geographic locations and coverage; the first one will be conducted in Kathmandu, Nepal and the second and third one in New Delhi, India, as described below.
5. **Outreach in Kathmandu, Nepal:** This event is conducted to reach (i) Contractors and Consulting Firms with representatives in Nepal and (ii) International Contractors and Consulting Firms. The Outreach shall be held in two ways: (i) Via Webinar (Zoom Platform) for
