

SPECIFIC PROCUREMENT NOTICE

First Date of Publication: 21 September 2018

**Request for Consultant's Qualifications (Individual Consultants)
For
Soils Stabilization and FDR Expert (OMCN/RMP/ICS/021)**

1. The Millennium Challenge Corporation ("MCC") and the Government of Nepal ("Government" or "GoN") have entered into a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Nepal on 14 September 2017 ("The Compact") in the amount of approximately USD 500 million ("MCC Funding"). The Government intends to apply parts of the proceeds of the funds to payments for contracts for goods, works and services. MCC is a U.S. government agency focused on assisting countries dedicated to good governance, economic freedom, and investments in people. Subject to the terms and conditions of the Compact, related agreements, and the availability of funds, the Government intends to use a portion of the funds to finance professional consulting services to assist the GoN with the implementation of the Compact program in a transparent and sound manner.
2. In issuing this Request for Consultant's Qualifications (RCQ), the GoN is represented by the Office of the Millennium Challenge Nepal ("OMCN"). Prior to the establishment of MCA-Nepal, any references to actions taken or rights received by MCA-Nepal in this RCQ shall be taken or received by OMCN on behalf of the Government, and any references herein to MCA-Nepal shall be deemed to mean OMCN during this period.
3. OMCN now invites qualifications documents (in the form of curriculum vitae (CVs/Resumes)) from **individual consultants** to provide the consultant services for technical assistance to OMCN and the GoNs Department of Roads (DoR) in **Soils Stabilization and Full Depth Reclamation (FDR)**.
4. The Consultant will be selected under the Individual Consultants' Selection (ICS) method in accordance with the procedures set out in the MCC Program Procurement Guidelines which are provided on the MCC page (<https://www.mcc.gov/resources/doc/program-procurement-guidelines>).
5. The selection process, as described, will include a review and verification of qualification and past performance, including a reference check, prior to contract award. OMCN will conduct on-line interviews (Skype or Zoom) with the finalists, to make the final determination.
6. **Contract Duration:** Estimated 19 months in Kathmandu, Nepal.
7. **Required Qualifications:**

For Soils Stabilization and Full Depth Reclamation (FDR) Expert:

- A Master's degree in Civil Engineering is required, PhD is highly preferred.
- A minimum of 15 years' experience in cement stabilization design and full depth reclamation of pavements.
- At least ten (10) relevant projects designed and completed over the last 15 years.

Government of Nepal
Ministry of Finance
OFFICE OF THE MILLENNIUM CHALLENGE NEPAL
(A joint Initiative of the Government of Nepal and the Millennium Challenge Corporation, USA)

- Previous experience in the development of relevant cement stabilization and full depth reclamation design manual(s) or at least three (3) publications in relevant and accredited peer reviewed engineering journals is mandatory.
 - Fluency in written and oral English is required.
8. Candidates interested in receiving the full RCQ and submitting Qualifications (CV) should register their interest by sending an e-mail (with subject: Request for **Soils Stabilization and FDR Expert RCQ**) to the **Procurement Agent** on MCANepalPA@cardno.com, giving full contact details. This will also ensure that the Consultants receive updates regarding this RCQ.
9. Any clarification on this RCQ including the TOR should be sent via e-mail to the address below, no later than **5.00pm Nepal Time (GMT+5.45) of 10 October 2018**. OMCN will provide responses to all clarification requests by **5.00pm Nepal Time (GMT+5.45) of 17 October 2018**.
