

**Clarification#1: Procurement of Supply, Delivery, and Installation of Air Conditioners for Central and Field Offices.**

**(MCA-N/PM/SH/054)**

Questions and Answers:

#	Questions	Answer
1	As mentioned in Annex 1: Quotation Submission Form S. No 12, should we supply separate UPS unit along with Power Stabilizer for Lamahi office Dang? If so, please specify the UPS Capacity and its brand, if any, that you prefer.	Please see Addendum#1 issued on 10 <sup>th</sup> August 2022 in MCA-Nepal website. <a href="https://mcanp.org/en/procurement/procurement-notices/">https://mcanp.org/en/procurement/procurement-notices/</a> (UPS is not required)
2	Who will provide accommodation cost of technician for the first installation at various delivery sites? MCA-Nepal or the Supplier?	Suppliers must incorporate all the associated costs for delivery and installation at various delivery sites in their quoted rate. (For <b>line-item B, S. No 4 to 13</b> )
3	Can you provide us with the contact details of your contact point so that we could talk about the queries that we have as it will be more easier than in writing.	As per MCC PPG Guideline, all Clarifications requested by bidders shall be made in writing, in hard copy and/or by electronic system as noted in solicitation document.  Hence in line with RFQ 14 (as per Addendum#1), Prospective Suppliers are advised to seek clarifications to this Request for Quotation (RFQ) by email to MCANepalPA@cddid.com by <b>5:00 PM (Nepal time) on 12 August 2022</b> . The MCA Entity may not respond to any clarifications submitted after this date and time. All request for clarifications shall be official and in writing.
