The Government of Nepal, acting through the Ministry of Finance (the “Government”) and the United States of America, acting through the Millennium Challenge Corporation (“MCC”), entered into a Millennium Challenge Compact on September 14, 2017, providing for a grant of up to FIVE HUNDRED MILLION United States Dollars (US \$500,000,000) to advance economic growth and reduce poverty in Nepal (the “Compact”), to which the Government will contribute up to US\$130,000,000 for a program to reduce poverty through economic growth in Nepal, and intends to apply part of the proceeds toward payments under the contract to be awarded for “**Construction of Ratmate Boundary Wall (Chain Link Fence)**”.

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding.
