

MILLENNIUM CHALLENGE ACCOUNT NEPAL DEVELOPMENT BOARD (MCA-NEPAL)

Notice of Award

Published Date: 25 November 2022

Procurement Reference:	MCA-N/ETP/CB/005
Name of Procurement:	“Construction of Ratmate Boundary Wall (Chain Link Fence)”
Award Date:	14 November 2022
Name of the Winning Bidder:	Binayak Nirman Company Pvt. Ltd.
Duration of the contract:	180 days from the Start Date
Price (US \$):	NPR 19,395,750 excluding VAT

Summary Scope of Services: The scope of work comprises the installation of a chain link fence and gates including a topographic survey along the perimeter of Ratmate ESF. It also includes the demarcation of substation boundary, preparation of the plan, profile (including Cross-Sectional Views), detailed drawings (foundation plus fence arrangement, protection (if any)) of the chain link fence. The detailed drawing of Gate (foundation plus gate frame) including supply, fabrication, painting, or galvanization of all the materials as specified in the drawing and price schedule/Bills of Quantities and overall construction of fencing and gate also falls under this Scope of Work.

The fencing shall be provided to cover the complete land as per drawing. A separate gate shall be provided for the entrance of workers and equipment as shown in typical drawings attached in this document.

The main activities to be performed by the contractor including but not limited to the following:

- It shall be the responsibility of the contractor to make all necessary arrangements for the transportation of materials and goods up to the Ratmate Substation and within the proposed site.
- Setting up a site office either at or nearby Ratmate Substation.
- All associated and necessary civil and architectural works to complete the specified scope of work.
- Preparation and submission of documents, drawings, and reports as described in this scope of work.
