The Millennium Challenge Account Nepal has received financing from the Millennium Challenge Corporation toward the cost of the Electricity Transmission Line Project, and intends to apply part of the proceeds toward payments under the contract for **Land Acquisition Expert (LAEs – Seven Positions)**.

MCC's funding is appropriated by the U.S. Congress and obligated to the Compact upfront, with no incremental or partial funding. So, when a contract is signed with an MCA-Nepal, money is already available to the MCA-Nepal and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

MCA-Nepal now invites applications from eligible Individual Consultants for Land Acquisition Expert Services.

Procurement Process will be conducted through the **Individual Consultants** procedures as specified in the MCC Program Procurement Guidelines (PPG), and is open to all eligible consultants as defined in the PPG.
