

MILLENNIUM CHALLENGE ACCOUNT NEPAL (MCA-NEPAL)

OUTREACH for UPCOMING PROCUREMENT ELECTRICITY TRANSMISSION PROJECT

Construction of 297 km of 400 kV Electricity Transmission Line

1. The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of Nepal (the “Government”) have entered into a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Nepal (the “Compact”) in the amount of approximately USD 500 million (United States Dollar Five Hundred Million) (“MCC Funding”). The Government, acting through the Millennium Challenge Account Nepal (the “MCA-Nepal”), intends to apply a portion of the MCC Funding to eligible payments under a contract for which this invitation to participate in an outreach event is issued.
2. The Compact program includes investment from MCC of approximately USD 500 million and an additional USD 197 million from the Government, for a total of approximately USD 697 million. It includes two projects: (i) The Electricity Transmission Project (ETP) will construct up to 315 km of 400 kV electricity transmission lines, three substations, and provide technical assistance to the power sector; and (ii) The Road Maintenance Project (RMP) will provide technical assistance to improve road maintenance practices and carry out road maintenance works on up to 130 km of the strategic road network in Nepal. The program includes the procurement of contractors and consultants for design, construction and supervision of electricity lines and substations, road maintenance works, including a variety of technical services, equipment and construction works in different geographic locations within Nepal. These contracts will be competed through open international procurement procedures.
3. **Outreach in Kathmandu, Nepal:** MCA-Nepal, which oversees and manages the projects funded from the Compact, intends to organize one Outreach in Kathmandu, Nepal with Contractors and Suppliers' Representatives to inform on the upcoming ETP Procurement for the **“Construction of 297 km of 400 kV Electricity Transmission Line”** and share available updated procurement and technical information, as applicable.
4. This event aims to reach out to (i) Contractors and Suppliers with representatives in Nepal and (ii) International Contractors. The Outreach will be held in two ways: (i) Via Webinar (Zoom Platform) for Contractors/Suppliers Firms located outside Nepal and outside Kathmandu; (ii) in person for Contractors/Suppliers/ located in Kathmandu/Nepal, as follows:
