	<p><i>5 institutional license and 15 academic license are separate items to be submitted to respective institutions through MCA-Nepal. For the entirety of training duration – it is expected that the trainer provides fully performing HDM4 licenses that expires after completion of the 2 weeks training and additional 5 months support.</i></p> <p>Clarification#1 Q.N. 2 response:</p> <p><i>Considering the total no of trainees are 20 and 5 plus 15, 20 licenses part of the procurement item, MCA-Nepal interprets that the 20 participants will have no issues obtaining the access to download 7 volumes of HDM-4.</i></p>
