The Federal Democratic Republic of Nepal, acting through the Ministry of Finance (the “Government”) and the United States of America, acting through the Millennium Challenge Corporation (“MCC”), entered into a Millennium Challenge Compact on 14 September 2017, providing for a grant of up to FIVE HUNDRED MILLION United States Dollars (USD 500,000,000) to advance economic growth and reduce poverty in Nepal (the “Compact”), to which the Government will contribute up to USD 197,000,000 for a program to reduce poverty through economic growth in Nepal, and intends to apply part of the proceeds toward payments under the contract to be awarded for the **Individual Consultant Services for Social Mobilizer**.

MCC’s funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an Accountable Entity **Millennium Challenge Account Nepal (MCA-Nepal)**, money is already available to the Accountable Entity and, for most contracts, invoices are paid directly to Contractors by the U.S. Treasury.

MCA-Nepal now invites applications from eligible Individual Consultants for this position.

The Procurement Process will be conducted through the **Individual Consultants Selection (ICS)** procedures as specified in the AE Procurement Policy & Guidelines (PPG), and it is open to all eligible consultants as defined in the PPG.

A complete set of the Request for Applications (RFA) documents may be obtained by interested eligible consultants upon the submission of a written application at the following address MCANepalPA@dt-global.com with cc to procurement@mcanp.org with subject “RFA document ref MCA-N/ETP/ICS/050”.
